

PUGET SOUND MYCOLOGICAL SOCIETY
BULLETIN No. 24

June 1966

JUNE MEETING Monday, June 13. Last Spring meeting. The speaker will be Paul Macapia who will talk and demonstrate "Photographing Mushrooms with Available Equipment". Mr. Macapia is a medical illustrator and photographer for the University of Washington Medical School and King County Hospital. This should be an excellent program. It will be in the Spacearium, and we will have signs, Boy Scouts and St. Bernards so no one should get lost.

MUSHROOM EXHIBIT Basil Ferguson is chairman for the Annual Exhibit in October. Anne Mack will act as chief consultant. Other committee chairmen will be announced later.

PRIEST LAKE FORAY The Spokane Mushroom Society is organizing a huge mushroom foray for Sept. 23, 24 and 25 at Priest Lake, Idaho. Registration fee is \$2.00 (non-refundable), and the deadline is Sept. 1. Meals and lodging are available at Hill's Resort, \$7 per day per person. Towels and washcloths are not provided. A government campground is available $\frac{1}{2}$ mile from Hill's. All reservations should be sent to
Mrs. Leslie L. Davis, Sec.-Treas.
Spokane Mushroom Club
E. 3717 - 24th Ave.
Spokane, Wash. 99203

The Board, at their last meeting, authorized the grant of funds for Dr. Stuntz's graduate students to attend the foray - \$30 per student, up to five students.

SCIENCE CENTER PUBLICATION Ben Woo will furnish our first article for the Science Center publication, "Pacific Search". Do not send subscription fees, as there is no arrangement for handling them. We will furnish all necessary information as soon as available.

ITEMS The Board has authorized the purchase of a photographic slide cabinet, a filing cabinet, and a slide projector.

Editor, (still pro-tem, I hope)

Charles D. Volz
